Œ The smile is the best tonic for our mind and body. It takes thirteen muscles to smile, but forty-three to be angry. So, it is easier to smile and difficult to be angry. To be cheerful, we have to create positive thoughts. On the other hand, if we constantly think about negative things, we feel unhappy. So, the best way to avoid a negative idea is to replace it with a positive one. When we are relaxed in bed, we should practise putting some cheerful thoughts.

Once a cunning jackal jumped into a big tub of blue dye. "I am your king," he said. All the animals, big and small, believed him and bowed before him. The clever jackal smiled. Now he was the most powerful animal in the forest. He was proud to be a king.

Once, the jackal woke up in the middle of the night. The jackals in the forest were howling at the full moon in the sky. The blue jackal forgot he was a king. He, too, began to howl. "Hu...aah! Hu...aah!" he cried. The animals ran out to see. "He is not a king. He is just a jackal!" they shouted. They rushed to attack him. "Stop, stop! I am sorry I tricked you. Please do not kill me!" said the blue jackal. The animals forgave him, but only after giving the jackal a good beating.
